Dear Mr Edwards

Thank you so much for your kind gift of £346.43 raised by singing carols around the village. As you no doubt know, we rely on voluntary donations and therefore your financial support means the world to us.

Only with your help we can continue to be here for children who are affected by conditions so serious that they're not expected to live longer than early adulthood. We're here to help them enjoy the best possible quality of life both emotionally and practically.

We're here 365 days a year for their parents and families too, who can often find it hard to cope and feel isolated. We're here throughout the lifetime of their child - and often well beyond - with specialist nursing care, counselling support, empathy & understanding. Our dedicated teams work at Hope House & Tŷ Gobaith, in the family's own home and within local communities.

As a registered charity, we need to raise over £6 million this year. That's well over £100,000 every week to make sure we can carry on being here for all the children and families who need us in Shropshire, Cheshire, Mid and North Wales.

As a fundraising organisation, we appreciate that organising fundraising events is not easy and requires a lot of dedication and hard work. We are so grateful that you have gone the extra mile and therefore please could you kindly thank everyone who was involved and let them know that today they have made a difference to the children and families in our care.

Should you wish to visit either Hope House or Ty Gobaith or we can help in any other way please feel free to contact us, in the meantime on behalf of all the children and families who have benefitted from your kindness, please accept our heartfelt thanks, put simply, we can't do what we do without you.

Kindest regards

Simi Epstein
